

Prince Turkey bin Talal Visits Loay at KKESH

H.R.H Prince Turkey bin Talal visited the Palestinian child Loay Osama Subhi , who is being treated at KKESH. He met the child's father who narrated the details of his son's injury during the Israeli raid on Gaza.

H.R.H Prince Turkey expressed his great sorrow for the pain the Palestinians go through and that everyone prays for their relief.

During this visit, H.R.H Prince Turkey met and listened to the treatment plan of Loay by the General Executive Director of KKESH, Dr. Abdul Elah Al-Towerki, and Dr. Imtiaz Chaudhery, Ocuplastics Senior Academic Consultant, the physician attending to Loay.

H.R.H Prince Turkey was accompanied by Dr. Tareq bin Salim Al-Arnous, General Manager of the General Directorate of Emergency Medicine at MOH.
