

## The MOH Deputy Minister for Executive Affairs Visits Loay at KKESH

The MOH Deputy Minister for Executive Affairs and Chairman of KKESH Board, Dr. Mansour bin Nasser Al-Hawasi, visited the Palestinian child Loay Osama Subhi , who is being treated at KKESH, on 22/ 1/ 2009. He met the child's father who narrated the details of his son's injury during the Israeli raid on Gaza.

Dr. Hawasi pointed out that the child Loay is one of our dear and brave sons of Gaza. Loay lost both of his eyes during the raid on his house.

When he received news of Loay's injury, the Custodian of the Two Holy Mosques, King Abdullah bin Abdulaziz, issued an order to host the child from Gaza for treatment at KKESH.

Loay's health condition is stabilized. The medical staff at KKESH is doing its best to offer all forms of help to the injured of Gaza.

Dr. Hawasi also met and listened to the treatment plan of the child by the General Executive Director of KKESH, Dr. Abdul Elah Al-Towerki.

Dr. Hawasi expressed his great sorrow for the pain the Palestinians go through, asking Allah to relieve their suffering soon.
