

**The Korean Deputy Minister of Health Visits
King Khaled Eye Specialist Hospital**

Mr. Yu Yong Hak, Korean Deputy Minister of Health and his accompanying delegation visited King Khaled Eye Specialist Hospital during their visit to the Kingdom of Saudi Arabia. They were received by HE Dr. Abdulelah Abbad Al-Towerki , General Executive Director, Dr. Emad Abboud, Interim Medical Director and Dr. Abdullah Al-Salman, Director of Protocol, Public Relations and Information, who welcomed the guests and gave them a presentation of the Hospital on the miniature in the Main Lobby, and accompanied the guests on a tour around the Hospital, including the Outpatient Clinics, Laser Therapy, Oculoplastics, Ophthalmic Photography, Visual Field, Electroretinogram, ER, , Research, Short Stay Unit, OR, Eye Bank and Diagnostic Imaging. During the tour, the guests were given extensive briefings on the role of these departments and their advanced medical equipment.

At the end of the tour, the guests met with Dr. Towerki in the Meeting Hall. He welcomed them again and gave them a brief explanation about the Hospital and the educational, training and research services offered in the field of ophthalmology. Then, Dr. Towerki also explained that all the achievements attained by the Hospital are the result of the Government's concern for people and a reflection of the health services offered in the Kingdom. He added that none of that would have been possible if it was not for Allah's blessing and the generous support of the Custodian of the Two Holy Mosques King Abdullah bin Abdulaziz, His Crown Prince HRH Prince Sultan bin Abdulaziz, Deputy Minister the Second Deputy Prime Minister and Interior Minister HRH Prince Nayif bin Abdulaziz, and HRH Prince Salman bin Abdulaziz, Prince of Riyadh Region. In addition to the continuous guardianship of HE Minister of Health, Dr. Abdullah bin Abdulaziz Al- Rabeiah.

At the end of the visit, Korean Deputy Minister of Health wrote a dedication in the record of visitors where he expressed his admiration of the world-class medical services in this great Hospital and looking forward to have a mutual cooperation between Korean hospitals and King Khaled Eye Specialist Hospital.
